MODERN PLAYFUL AFFORDABLE

The **Elementz** line of soft sculpted foam play shapes add energy and fun to any space. These unique designs promote free play, encouraging creativity and imagination in kids. The modern design of **Elementz** creates the perfect area for kids to play individually or together to enable fun play experiences.

## THE POWER OF PLAY

Soft Play's unique play areas provide a great place for children to exercise while they learn and have fun. Our low-profile climbers, ramps, and crawl tunnels help develop gross motor skills, test spatial relationships and build confidence. All of Soft Play's play creations are inspected and approved by a certified playground safety inspector before installation —providing a safe, active play space for both kids and your business or organization.

## DESIGN INSPIRATION

The **Elementz** design and color profile is bright and energetic, and references bright sunshine, blue skies and organic natural elements that will add a brilliant burst of color to complement any space.

**Elementz** play forms feature a two-tone speckled paint technique that creates a rich looking finish. These durable, high-quality play features are available at a lower price-point than traditional soft sculpted pieces, and can be purchased individually or as a packaged group.
