## **STOMP TO THE TOP**

STOMP is a new interactive play attraction that packs tons of action into a small space. This play experience pits players of all ages against one another in a fun, friendly, challenging competition that's as much fun to see as it is to play. Watch the crowds gather as up to four players run, jump, and stomp their way to the top score.

## DIMENSIONS

# STOMP

## ADVANTAGES

### ACTIVE PLAY

This fast-paced competition gets kids' arms, legs and hearts pumping as they run, jump and stomp as quickly as they can.

### MULTI-GENERATIONAL

A meter grid system Stomp not only get kids moving, but adults can also join in for a fun, multigenerational play experience

### INTERACTIVE EXPERIENCE

Stomp responds with fun light and sound effects every time a player steps, runs or jumps on the pressure pads.

### PLUG & PLAY

Unlike other play equipment, Stomp needs no special safety surfacing. Just plug it into a standard power outlet and watch the fun begin.

### ONE TO FOUR PLAYERS

Stomp can be played alone, in a one-on-one two-player competition, or with up to four players in a fun group experience.
