# Soft Play

*Soft Play has been the worldwide leader in commercial play experiences for over 30 years. We create innovative, cutting-edge, and fully immersive play experiences.*

*Our superior craftsmanship and unmatched creativity turn play into the main attraction. With us, there are no limits on the imagination, only exceptional play experiences.*

*But we wanted to take it to the next level – push our creativity even further. So we created our own world of play.*

*Join us as we take you through The Gauntlet. This wall-to-wall immersive experience will challenge guests of all ages to level up.*

**DO YOU HAVE  
WHAT IT  
TAKES?**

# FORTIFIED FOUNDATION BATTLE TESTED

Not only does the Gauntlet push the limits of adventure play, but it's also designed with the quality manufacturing that Soft Play is known for.

### 100% Human Joy

# CONCEPT: THE GAUNTLET

## STEP INTO AN IMMERSIVE WORLD

Welcome to the Gauntlet. This themed world transcends the ordinary. No detail went unnoticed, no wall untouched. Each element is selected specifically to bring the new world to life.

This is a fully immersive experience unlike anything you've ever seen before. It's electric!

## REALITY: KENNEDY SPACE CENTER VISITOR COMPLEX PLANET PLAY MERRITT ISLAND, FL

# CONCEPT: **AGILITY ARENA**

PROCESSES

GET READY

## TIME TO TRAIN

The youngest players gravitate to the soft sculpted foam training grounds. These stunning hand-crafted sculptures spark imaginative play. Push your abilities moving from element to element.

The sculpted tunnel climber adds a creative twist with its digital and interactive play panel.

## REALITY: CHERRY CREEK MALL DENVER, CO

- Soft Sculpted Foam
- Durasoft Safety Surfacing

# CONCEPT: THE CITADEL

## TIME TO STORM THE BASE

Leave the battleground below as you scale this domineering non-belayed fortress. These structures safely challenge explorers to ascend new heights, pushing their coordination and agility to new levels as they cross the skyway. The variety of obstacles rock, spin, and sway, challenging you to keep your footing as you go.

ADVENTURE

TOWERS

# CONCEPT: THE FORTRESS

TAKE HIGHER GROUND

## CLIMB THE TOWERS

These awe-inspiring structures delivers world-class thrills. Start by climbing through the array of ropes courses and maneuvering the obstacles as you clamber to the top. From spinning barrels to scooped platforms, this tower will keep you on your toes the whole way up.

## REALITY:

### KENNEDY SPACE CENTER VISITOR COMPLEX PLANET PLAY MERRITT ISLAND, FL

- Soft Sculpted Foam
- 5" Steel Post System
- TuffNet™

# CONCEPT: **FLOATING ISLAND**

## ACTIVATE **THE WATERS**

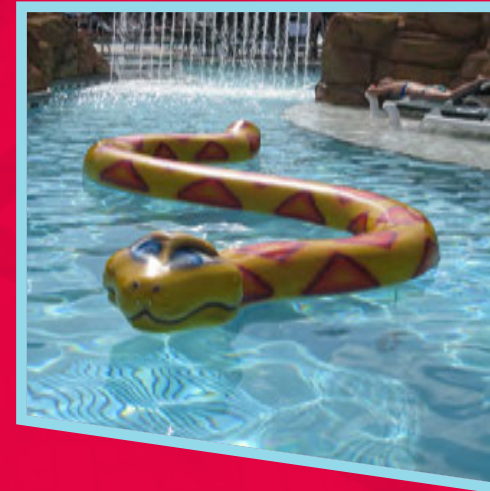

With a kraken lurking just above the surface, an ordinary pool becomes unforgettable, luring players to return again and again. Players will test their abilities by climbing the creature and dodging its powerful spray. If the kraken doesn't lure guests from the sidelines, challenge them to walk on water with a custom-designed water obstacle system.

## REALITY: **EASTRIDGE RECREATION CENTER**

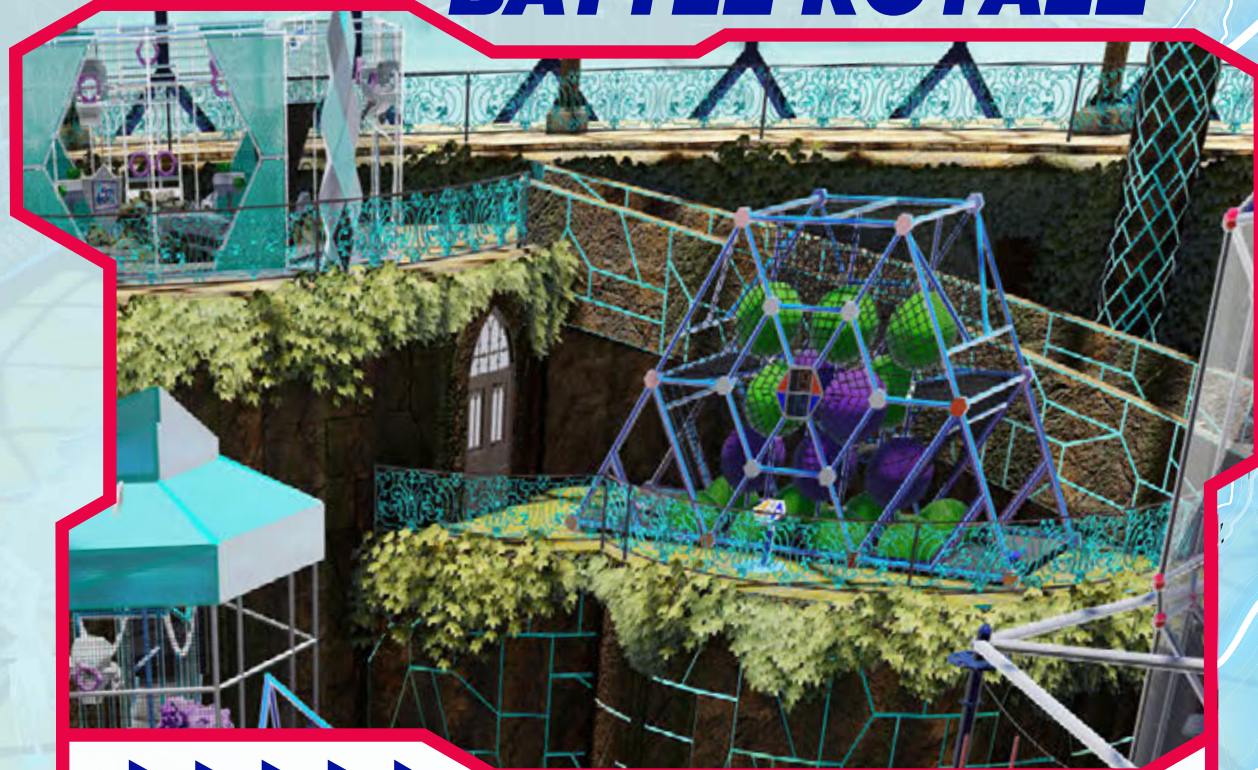

**GREENWOOD AQUATIC CENTER**  
**GREAT WOLF LODGE**  
**COUNCIL BLUFF PIRATE COVE**

• Hydro-Tuff®

# CONCEPT: **BATTLE ROYALE**

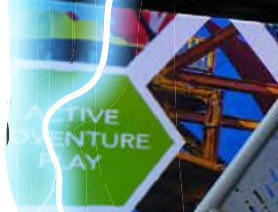

## TEAM UP FOR **THE ULTIMATE TEST**

Up the ante with exhilarating gamified experiences.

Once you've mastered the other obstacles on the battlefield, you will ascend to the ultimate gamified challenge arena. The iconic HIVE blends together adventure-ropes with a ball obstacle players maneuver to strike their target.
