

# ***WONDER SCAPES***

# WONDERSCAPES

The Wonderscapes line is a pre-designed layout that includes both soft sculpted foam and contained play. This product line brings a modern touch to any environment while also providing hours of play. These unique play designs can increase family visits and improve brand awareness.

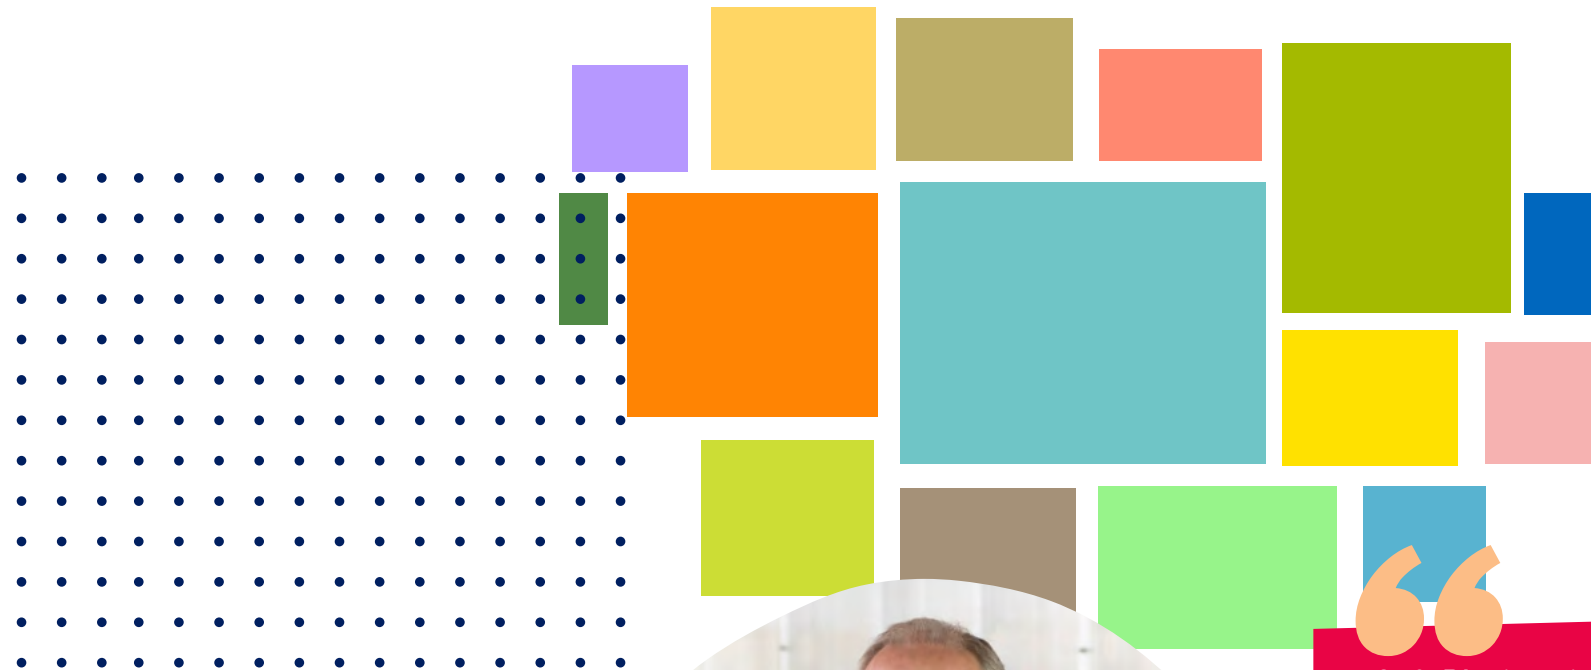

## Memory Making Designs

Taking time to play as a family is a priority for nearly every parent; it allows the family to create stronger emotional bonds, detach from frustrations, and most importantly, make memories that will last a lifetime.

Providing a place at your facility for families to play, is a great way to give back to your community; while also associating your brand with those memories and good feelings.

# Design Inspiration

*Soft Play's unique play areas provide a great place for children to exercise while they learn and have fun. Our low-profile climbers, ramps, and crawl tunnels help develop gross motor skills, test spatial relationships and build confidence. Inspired by nature, all of the color schemes and products are designed to encourage imaginative play and to be aesthetically pleasing."*

**JON NORBY**  
Creative Director Soft Play

# WONDERSCAPES

## *Wonderscapes Benefits*

- Make your destination stand out against competition
- Drive foot traffic and create memorable experiences for your guests
- Great visibility allows parents & caregivers to watch children play
- Play opportunities promote active, creative and age-appropriate play

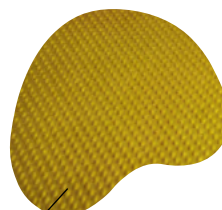

# Materials and Details

The Wonderscapes line comes in four different themes. Each theme has its own unique color pallet and play design. Every theme was designed to look appealing in any space, but also extremely functional and durable. The Creative Design Team at Soft Play choose colors that are organic and natural, but also include a touch of vibrance to compliment any space.

**NATURE FRAME**  
Provides warm, natural design aesthetics.

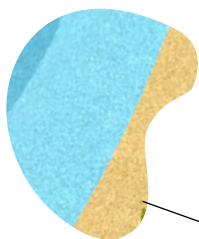

**ROTATIONAL MOLDED DECK**  
Low maintenance decks that provide greater durability and longer life.

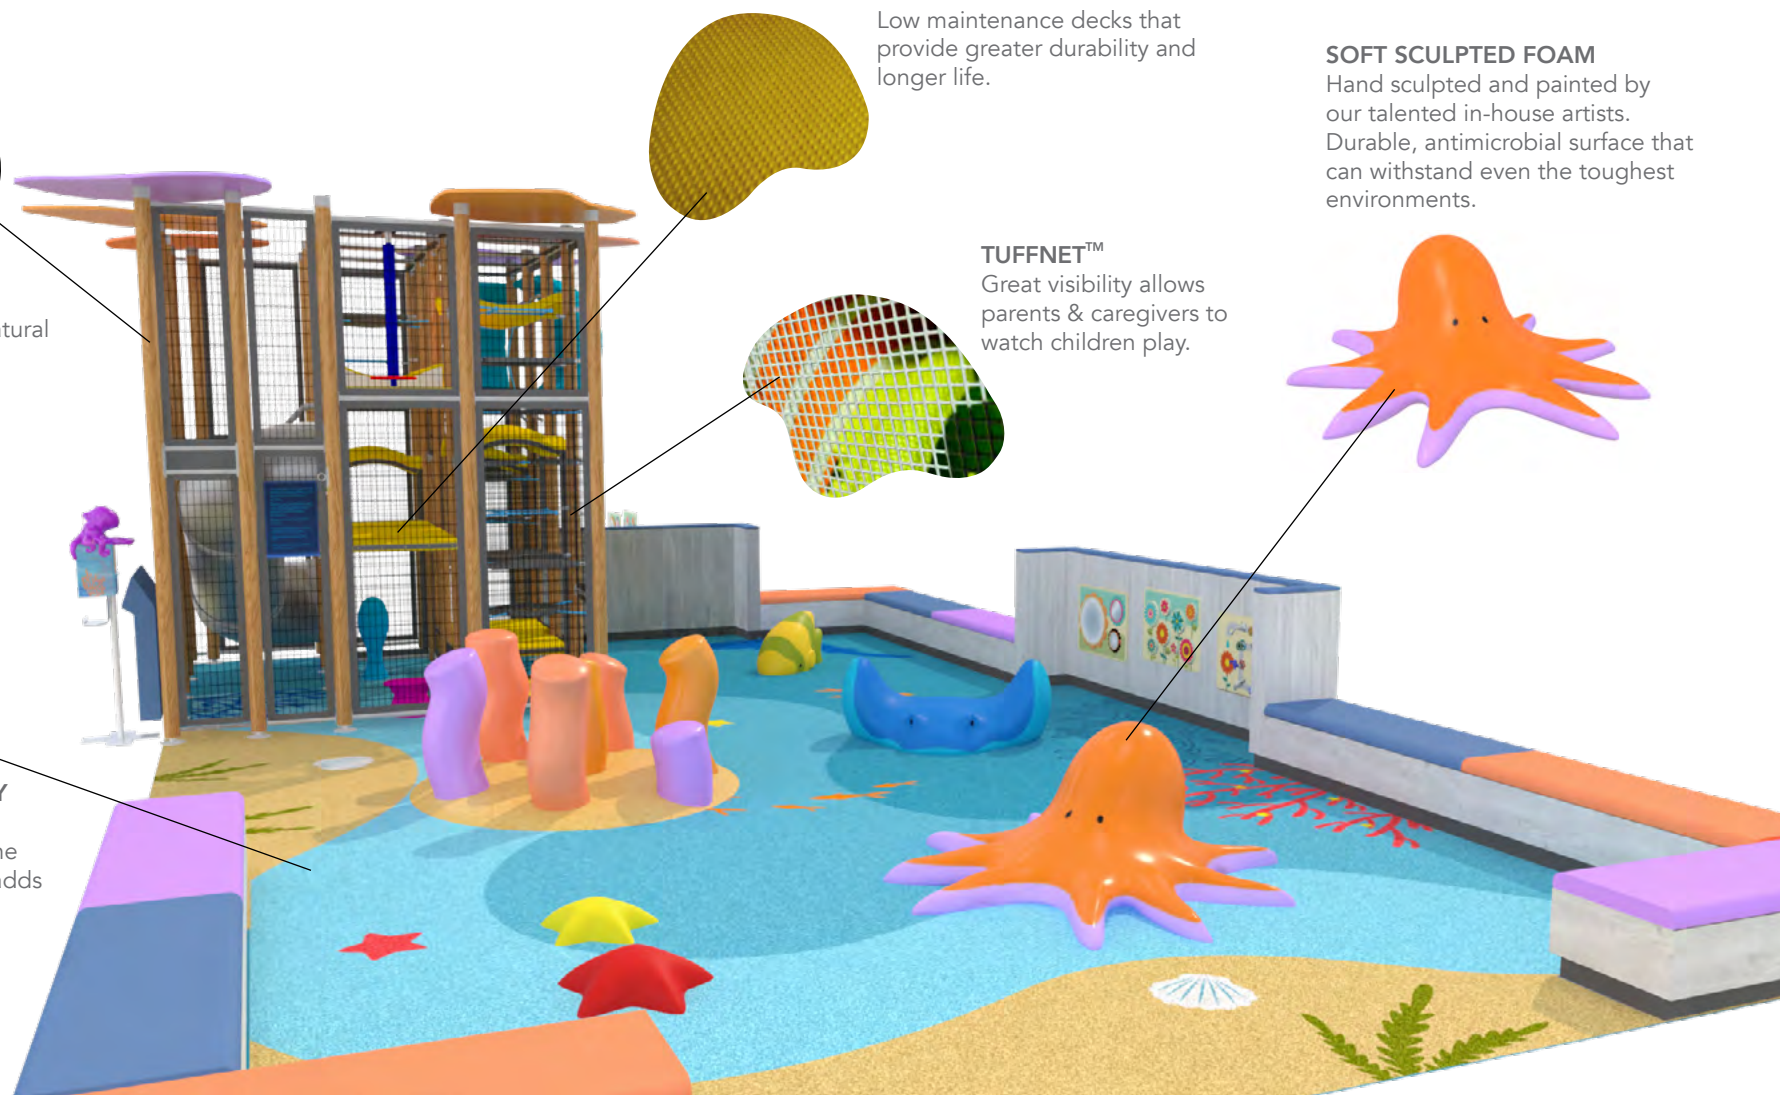

**TUFFNET™**  
Great visibility allows parents & caregivers to watch children play.

**SOFT SCULPTED FOAM**  
Hand sculpted and painted by our talented in-house artists. Durable, antimicrobial surface that can withstand even the toughest environments.

**DURASOFT SAFETY FLOORING**  
The design makes the area complete and adds more ways to play

# OPTIONAL BRANDED OPPORTUNITIES

## Hand Sanitizer Stations

Our hand sanitizer stations can be designed to promote your brand personality—in color, character, logo and message! Our stations compliment your brand and overall play experience, by adding to the immersive environment where every detail matters.

### Key Advantages

#### TOUGH & DURABLE

Tough and durable welded carbon steel construction for the most demanding indoor and outdoor applications.

#### PEACE OF MIND

Reduce the risk of spreading viruses through surfaces and create a positive "piece-of-mind" experience for families.

#### FUN FOR KIDS

Unlike other hand sanitizer stations, our themed-character stands will encourage kids to disinfect their hands.

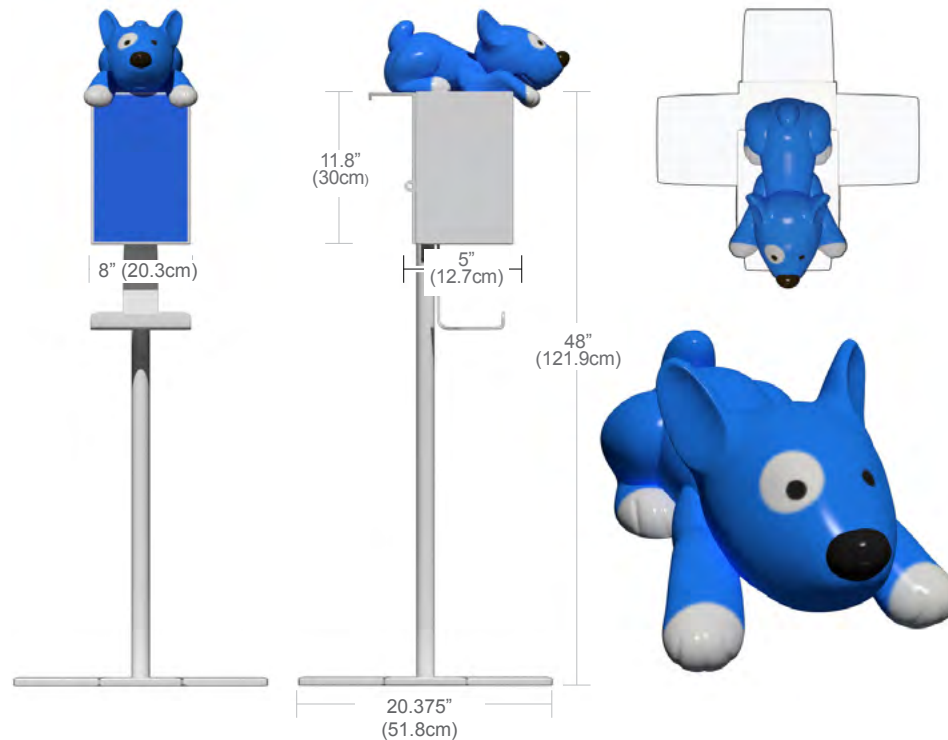

## Product Details

- Automatic Dispensers included with stands.
- Touch-less dispensers are battery operated and are easily mounted to hand sanitizer stands.
- 1000ml refillable reservoir works with most liquid/gel sanitizers.\*
- Features an infrared sensor for fully automatic non-touch operation as well as locking capability to prevent theft.
- Tough and durable welded carbon steel stand construction for the most demanding indoor and outdoor applications.

\*Hand Sanitizer liquid and batteries not included.

*Characters are hand sculpted and painted by our talented in-house artists*

# ACCESSORIES

## Optional Seating & Storage

Featuring a clean-lined frame system this seating option is a great addition to any play space. The backless design of the seating allows the creation of a space that is functional and comfortable at the same time.

Use these seating options to define the play space while keeping visibility into the play area. Add a bench with cubbies to help keep shoes organized and out of the way.

### **Bench Seating with Storage Cubbies:**

Features three shoe storage cubbies, durable laminate sides, 3" (76mm) vinyl cushion and protective toe-kick base to eliminate scratches in exposed areas.

### **Specifications:**

3' L x 1.5' W x 1.5' H  
.9m L x .5m W x .5m H

### **Bench Seating:**

Durable laminate sides, 3" (76mm) vinyl cushion and protective toe-kick base to eliminate scratches in exposed areas.

### **Specifications:**

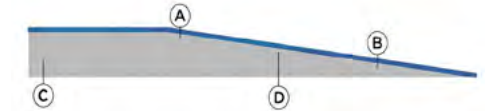

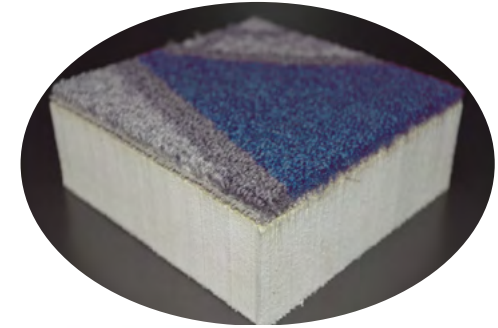

4' L x 1.5' W x 1.5' H  
1.2m L x .5m W x .5m H

# DuraSoft Safety Flooring System

The DuraSoft Safety Flooring System was designed to activate the floor space while providing a safer environment for children to play and imagine. The playful designs use a combination of colors and shapes to create the perfect stage for play structure and forms, for long-lasting performance.

- Easy to clean and maintain
- Kid-friendly surface ensures the safest environment
- Flooring design creates more opportunities to play and challenge kids imagination
- Easy to install due to the simplicity of the design
- 1.5" (38mm) rated at 5' (1.5m) fall height under ASTM F1292
- Meets ASTM F1951 ADA accessibility requirements

## DuraSoft Safety Flooring Provides:

A - Liquid-proof pad that keeps spills and accidents at the surface

B - Commercial-grade carpet with Lifespan backing

C - Standard pad thickness is 1.5" (38mm)

D - ADA Accessibility ramping at entrances
