## Designed with Purpose

Soft Play understands and is skilled with balancing physical fun with learning. Our team partners with curators, operators from concept through installation, ensuring every detail supports comfort, care, and connection.

# SOLUTIONS DESIGNED FOR DAYCARES

Soft Play designs durable, safe, and visually calming solutions tailored to spaces of all sizes. Customizable to most any size or geometry, or with post pad colors.

### Soft Foam Sculptures

Gentle, inviting forms that encourage imaginative play.

### Interactive Play Panels

Add educational value to any space—enhance toddler development, with gross, cognitive and sensorial play panels.

### Themed Environments

Nature, underwater, animal, or calming abstract themes.

### Contained Playgrounds

These playgrounds can be purchased as-is or used as inspiration to create a customized space that reflects your vision.

**Traditional system** - a 2" pipe and pad system, providing a lower cost alternative to other systems.

**3.5" Dura-frame post system** - clean, sleek look, reduces repair and maintenance costs.

**Natural elements collection** - a compact design, with natural wood frame system, manufactured for long-lasting performance.
